

Law Enforcement Torch Run Merchandise

The mission of the Law Enforcement Torch Run (LETR) is to increase awareness and raise funds for the Special Olympics movement – a global organization that through sport, aims to provide children and adults with intellectual disabilities the opportunity to develop physical fitness, demonstrate courage, experience joy and to connect with their families, other athletes and their communities. At its most basic level, the LETR is a running event in which officers and athletes carry the Flame of Hope to the Opening Ceremony of a Special Olympics National Summer or Winter Games. In addition, every two years, law enforcement officers from around the world gather to carry the flame in a Final Leg Torch run in honour of the Special Olympics World Summer or World Winter Games. The Flame of Hope stands for hope, courage, opportunity, inspiration and equality.
