Kaha's Corner

Kia ora! I am glad to see you in the last Kaha's corner for 2025! ***tries not to cry***

Its been flap-tastic getting to know you in this little corner of the Newsletter.

I'll sniffle my way through the last Q & A, but only if you promise to keep it together too...

Q: Dear Kaha, how hot do you think Christchurch weather will be at NSG?

Mostly sunny, but like a kiwi hopping around, you'll want to be ready for a sneaky breeze or shower. Pack a hat, jumper, and sunscreen to stay comfy on the move. **:A**

Just 30 days until Christchurch, and I'm soaring with excitement. Until then... keep your feathers dry... I'm not crying, you are!

ATHLETE DESIGN TEE

You may remember our awesome winner of the Athlete Design T-Shirt, Bradley Garner.

Bradley's t-shirt design and printing has been finalised and will be for sale in Christchurch as a limited edition T-Shirt! These t-shirts will only be available to purchase at the games, and will cost \$25 including GST.

Keeping you safe at the games

There's still time to check your measles vaccination status before the Games. Health New Zealand (Te Whatu Ora) recommends that everyone makes sure their measles, mumps and rubella (MMR) vaccinations are up to date.

Staying up to date helps keep you and everyone around you healthy and ready for an amazing week!

CLOSING CEREMONY "PARTY"

A reminder that this year the Closing Party is a disco with very few formalities. Expect food, music and the best dance moves in town!

Sun 14 Dec, 5.00pm - 8.00pm

THE RSC'S

Our Regional Sports Coordinators (RSCs) are here to help your sport run smoothly. They'll be at your venues making sure everything's ready so you can focus on doing your best!

Paula Winsor

Upper South Island Regional Sports Coordinator

Basketball boss at NSG's — of everything except basketball! Fuelled by a passion for sport, people, and creating opportunities for everyone to get involved, have fun, and give it a go. Always up for a high five and a good chat about how your day's going!

Matt de Jardine

Regional Sports Coordinator Central North Island & Upper North Island Lead

I'm back for my second NSG, and I'll be fuelled by excitement, caffeine, and the world's best athletes around me. My sport will be Athletics, which I'm overseeing at Ngā Puna Wai, and I can't wait to see all the sports in action at this hub and wherever else I'm able to get to. I'm so excited to see you all in action, catch up with my athlete friends, and make many new ones too.

Chris Moffitt

Lower South Island Regional Sports Coordinator

For my second National Summer Games I'm again involved in the running of two sports. I'll be based at Parakiore, working alongside Swimming's GMS crew. As well as my role at the pool, I'll also be remotely supporting the Indoor Bowls crew. If you see me around the poolside, come over and say hi! I'm not very interesting, but it'd be really nice to get to know you and hear all about your NSG experience! 😊

Andy Napier

Upper North Island (South) Regional Sports Coordinator

I am super excited to be attending my first ever National Summer Games in Christchurch. I will be working at the Equestrian Competition and the Power Lifting. So, I will be going from the quietest sport (Shush – don't frighten the horses!) to the loudest and most boisterous (LETS GO!!) – I hope I don't get them mixed up! I can't wait to see everyone trying their best, having fun and making new friendships.

Ben Wallace

Lower North Island Regional Sports Coordinator

I'm looking after tenpin bowling at this year's Games. As a proud dad of three and a passionate football fan, I bring plenty of energy, humour, and heart to the event. I love sharing a laugh with athletes and creating an atmosphere where everyone feels supported and celebrated. I can't wait to see you all shine at the National Summer Games!

Steve Lyster

Lower North Island Regional Sports Coordinator

Hi, my name is Steve and I am the RSC for the Lower North Island - West. I'll be hanging out at Ngā Puna Wai at the NSG with the Bocce crew. Please come say hi to me (I am the older dude with short hair and a grey(ish) beard) and if you have a spare moment or two, perhaps you could teach me how to play duck, duck, goose as I'd never heard of this game until recently!!! 😊

Sophie Leveridge

Upper North Island Regional Sports Coordinator

Swimming's biggest hype-woman! If there's a race to be swum, you'll find me poolside, trying not to get splashed! I'll be cheering louder than the starter hooter, celebrating every PB like it's gold, calming the pre-race nerves, and reminding everyone to breathe, quite literally! Always up for a high five or a post-swim chat to see how the race went!

Chante Du Plessis

Upper North Island Regional Sports Coordinator

Football's number one fan! If there's a ball to be kicked, you'll find me there, cheering, organising, or jumping in for a quick game. I'm all about getting people involved, having a laugh, and making sure everyone feels part of the team. Big on good vibes, great goals, and post-match chats about who almost scored that screamer!

Law Enforcement Torch Run

Kicking off on Saturday 4 October from Whangārei Town Basin, the Law Enforcement Torch Run has travelled through the Bay of Islands, Auckland, Hamilton, Rotorua, Napier, Palmerston North, and even made a detour to Greymouth - shining a light on our athletes along the way.

Next stop is Wellington on 15 November before the Torch heads south to Nelson, Blenheim, Dunedin, and Invercargill, finishing in Christchurch on Tuesday 9 December, the day before our Opening Ceremony.

A huge shout-out to all our Clubs, athletes, and especially the NZ Police and emergency services for their incredible support along the journey.
